NATURE CURES THE DOCTOR TAKES THE FEE

There is an old saying that "Nature cures, the doctor takes the fee," but as everyone knows you can help Nature very much and thereby enable it to effect a cure in much less time than is usually required. This is particularly true of colds. Chamberlain's Cough Remedy relieves the lungs, liquefies the tough mucus and aids in its expectoration, allays the cough and aids Nature in restoring the system to a healthy condition.

COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

TANOLINE IS BEAUTY AID, ANNOUNCES SPECIALIST

Mildred Louise Talk of Interest to Women

As health is a first aid to beauty this story, told by Mildred Louise beauty specialist, of Boston, Mass., is of unusual interest.

"I can recommend no better health giver than tonoline," said Mildred Louise.

"I was for many months a victim of stomach trouble and nervousness. I had suered terribly from pains that followed eating. Headaches also would add to my worries. Poor digestion finally brought on nervousness.

"Relief came, however, when I took the advice of several women who said, 'Take tonoline.'

"Not long after I started the tonoline treatment, my patrons began to remind me of the improvement in my condition. And because health is the quickest way to beauty, the improvement was particularly noticeable in my face.

"What tonoline did for me I daeMn

"What tonoline really did for me I cannot say. I am so grateful that I am very willing to recommend tonoline publicly."

Tonoline is a purely vegetablepreparation which goes to the seat of common maladies—stomach and kidney trouble, catarrhal affections of the mucous membranes, liver ailments and impurities of the blood—and quickly restores proper action. Tonoline is being explained daily to many people at your druggist.

Notice:—As tonoline is a wonderful flesh builder it should not be taken by any one not wishing to increase his weight ten pounds or more. Although many reports are received from those who have been benefitted by tonoline in severe cases of stomach trouble and nervous dyspepsia, chronic constipation etc.

IN SEEKING THE BEST MARKETS IN WHICH TO BUY THE SEASON'S GOODS WE CARRY EVERY ONE OF OUR CUSTOMERS IN MIND, AND BUY FOR THEM—EXCLUSIVELY FOR THEM—NOT AS THEY DO IN LARGE CITIES, IN A CONGLOMERATE MASS, BUT THAT MRS. SO AND SO LIKES SUCH AND SUCH. EVERY CUSTOMER WE HAVE IS GIVEN THE SAME THOUGHTFUL CARE, AND OUR LONG EXPERIENCE IN BUYING IS THUS EXTENDED TO ALL.

THE SEASON NOW IN FULL SWING

Materials were never prettier, and more dressy, than this season. There is a style to the stripes and plaids, even in the cotton goods, that make up into extremely nobby garments

Summer Goods

Have you seen our line of white goods. The materials that will be all the vogue in a few weeks. Our line is complete. Make your selection now.

Low Quarter Shoes

Both for the lady and the man in all the newest lasts, styles and combinations. Every one must be well shod these days when appearances count for so much. Don't miss this line.

Men's Suits

Our ready-to-wear stock of Men's suits is so attractive and the variety so pleasing that many who bought made to measure suits are looking at our ready to wear. We can please you in this department or we will measure you for your spring suit, and please you.

Men's Spring Hats

There is a reason why you should buy a spring hat. The one of last season won't do. It hasn't got the proper roll to the brim, or the crown is not in the right shape. Women don't wear last years hats, and why should men? That is if men regard their appearance at all—and they do.

WE HAV'NT MENTIONED THE DAINTY THINGS OF THE SEASON, SUCH AS WOMEN'S HANDKERCHIEFS, HOSE, GLOVES, LACE NOVELTIES, AND WAISTS BECAUSE YOU KNOW WE KEEP THE LINE AND WILL WANT TO SEE THEM ANYWAY.
